

The screenshot shows a web browser window with the Particle Console interface. The address bar displays `https://console.particle.io/devices`. The page title is "Devices" with a subtitle "Number of devices: 1". A table lists the connected devices. The table has four columns: ID, Type, Name, and Last Handshake. One device is listed with ID `e00fce68e307cc7e6db32c61`, Type `Argon`, Name `chicken_ferret`, and Last Handshake `3/29/21 at 11:39am`. The interface includes a sidebar with navigation icons and a top navigation bar with links to Docs, Contact Sales, Support, and Notifications.

ID	Type	Name	Last Handshake
e00fce68e307cc7e6db32c61	Argon	chicken_ferret	3/29/21 at 11:39am
